To Whom It May Concern:

I am writing to notify you that Holper's Pest and Animal Solutions is QualityPro Accredited, the mark of excellence in pest management. As a QualityPro Accredited company, Holper's Pest and Animal Solutions has placed itself in the top echelon of pest management companies in the nation. QualityPro is an initiative of the National Pest Management Association to encourage professionalism and recognize excellence in the industry. Less than 3% of pest control companies in America have earned this prestigious designation.

QualityPro Accredited companies voluntarily ascribe to a set of qualifications that go above and beyond any state or federal requirements. As a potential consumer of pest management services, qualifications that may interest you include:

- Checking employee references and driving history
- Doing criminal background checks on all employees
- Employing only highly-trained, registered and credentialed employees
- Maintaining a drug-free workplace
- Ensuring that technicians are highly skilled, trained professionals
- Offering a clear, easy-to-understand warranty and termite service agreement
- Maintaining an up-to-date insurance policy
- Truthful and ethical advertising

The website, www.qualitypro.org, contains more information about what QualityPro is and what it means to a company. The QualityPro Accreditation truly sets Holper's Pest and Animal Solutions apart from non-QualityPro Accredited companies.
